Electrolux

ACCESSORIES

2003

The world's No.1 choice

The Electrolux Group is the world's largest producer of powered appliances for kitchen, cleaning and outdoor use. More than 55 million Electrolux Group products (such as refrigerators, cookers, washing machines, vacuum cleaners, chainsaws and lawnmowers) are sold each year to a value of approx. USD 14 billion in more than 150 countries around the world.

More than 12 million products (such as lawnmowers, tractors, chainsaws, trimmers, blower vacs and snow blowers) are sold each year, making Electrolux the world's largest producer of powered outdoor equipment.

ACCESSORIES FOR ELECTRIC

Laminated bars with nose wheel

The gentle curve and small nose radius reduce the risk of kickback and facilitate good cutting control. Bars are epoxy coated to protect against scratches and corrosion.

Solid bars

Recommended for use with long bars to reduce load on bar tip. Load is transferred to the high quality roller bearing. Frictional loss is reduced by 8-10% depending on bar length. Bars are epoxy coated to protect against scratches and corrosion.

DISPLAY FOR CHAINSAW, TRIMMER

The range is completed by the accessory chainsaw displayer. It is a convenient solution to help the dealer in the presentation of these items. This stable displayer shows the customer the complete range of chainsaw accessories in a compact space. Made in steel, the McCulloch display is mounted on wheels and the lower basket is designed to place the oil containers.
